FOREWORD

This publication is a cumulative index of grievance arbitration decisions produced by Nova Scotia Environment and Labour for 1978 to 2000.

The decisions referenced here are those which have been filed in accordance with amendments to the Trade Union Act, effective May, 1978.

Part I of the publication contains the index of subjects covered in the arbitration decisions since 1978. Parts II through IV contain the employer, union and topical code indices respectively. Indexing standards for arbitration awards follow Canadian Labour Arbitration by D.J.M. Brown and D.M. Beatty (Agincourt: Canadian Law Book Co., 3rd edition, 1991).

Copies of decisions will be made available to interested parties upon request and will be subject to a nominal charge for reproduction. Arbitration decisions under the Trade Union Act are now abstracted and indexed on a computerized database using InMagic software. The Department may provide copies of the database upon special arrangement. Please address all inquiries relating to printed and machine-readable formats to:
